Knight in shining armour proposes

The celebration was the most unusual event a Munster restaurant had ever hosted.

A MOST unusual event occurred when the Merry Crab Resort on the beachfront at Munster hosted the 21st birthday party of Candice Smith from Durban last Saturday night.

Celebrating with more than 40 guests and unbeknown to Candice, her boyfriend, Andrew Ferreira (also from Durban), had hired a horse and a suit of armour!

He rode up the lantern-lined driveway, dismounted and, on one knee, proposed to his love.

Candice accepted and the young couple, with their guests, enjoyed a wonderful dinner and party in the 'potjie boma' at the resort. Resort owners, Mike and Greer Ballantine, commented: "This was the most unusual function that we've ever hosted - it was great fun and everyone enjoyed the festivities."

Knightly quest: Andrew Ferreira, suitably armoured against rejection, successfully proposes to birthday-girl Candice Smith, at a local restaurant last week.
